

Appl. No. 09/993,843
Amdt. Dated October 6, 2005
Reply to Office action of July 14, 2005
Attorney Docket No. P11048-US1
EUS/J/P/05-1264

REMARKS/ARGUMENTS

1.) Allowable Subject Matter

The Examiner objected to claims 34 and 45 as being dependent upon rejected base claims, but indicated they would be allowable if rewritten in independent form, including all of the limitations of their respective base claim and any intervening claims. The Applicant has amended independent claim 27 to include the allowable subject matter of claim 34, and independent claim 38 to include the allowable subject matter of claim 45. Accordingly, claims 27 and 38 are now allowable. Furthermore, whereas claims 28-33 and 35-37 are dependent from claim 27 and claims 39-44 and 46-52 are dependent from claim 38, and include the limitations of their respective base claims, those claims are also now allowable.

CONCLUSION

In view of the foregoing amendments and remarks, the Applicants believe all of the claims currently pending in the Application to be in a condition for allowance. The Applicants, therefore, respectfully request that the Examiner withdraw all rejections and issue a Notice of Allowance for claims 27-33, 35-44 and 46-52.

The Applicants request a telephonic interview if the Examiner has any questions or requires any additional information that would further or expedite the prosecution of the Application.

Respectfully submitted,
